Department of Defense Directive

SUBJECT Cooperation with U. S. News Media Representatives
at the Scene of Military Accidents Occuring Outside
Military Installations

References: (a) DoD Instruction 7730.12, "Nuclear Weapon
Accident and Significant Incident Notification
Procedures," July 27, 1962
(b) DoD Directive 5200.1, "Safeguarding Official
Information in the Interests of the Defense
of the United States," July 8, 1957

I. PURPOSE

This Directive establishes uniform policy for dealing with U.S. news media representatives at the scene of military accidents that occur outside military installations.

II. APPLICABILITY AND SCOPE

- A. The provisions of this Directive apply to all DoD Components and cover military accidents occurring in the United States, its territories or its possessions, but outside the confines of military installations.
- B. The provisions do not cover military accidents (1) occurring outside the United States, its territories or its possessions, guidance for which is set forth in applicable treaties, inter-governmental agreements and laws of other nations; or (2) involving nuclear weapons, guidance for which is set forth in reference (a) and in the Joint Department of Army, Navy, Air Force, and Atomic Energy Commission Agreement of February 27, 1958.

III. POLICY AND PROCEDURES

DoD Components will provide maximum cooperation, consistent with national security responsibilities and reference (b), to properly identified U. S. news media representatives desiring to cover military accidents occurring outside military installations. The military authority at the scene of a military accident occurring outside of a military installation shall:

- A. Inform news media representatives of the presence of exposed classified material which cannot be removed or covered immediately and ask them to cooperate in its protection. Photographers will be informed that violations of the prohibition on photographing classified DoD material are also violations of Federal criminal statutes. (18 USC 795, 797).
- B. Refrain from using force if news media representatives refuse to cooperate in the protection of classified DoD material, but request (1) the assistance of appropriate civil law-enforcement officials in preventing compromise of such material and in recovering all photographs, negatives, and sketches which are presumed to contain classified information; and (2) the cooperation of the superiors of the offending news media representatives, informing them that publication of such classified information or refusal to return it to military authority will be a violation of Federal statutes (18 USC 793(e), 795, 797).
- C. Submit to the Assistant Secretary of Defense (Public Affairs), through channels, a message report concerning refusals of news media representatives or their superiors to cooperate as prescribed in A. and B. above.

IV. EFFECTIVE DATE AND IMPLEMENTATION

- A. This Directive is effective immediately.
- B. Two copies of the implementing instructions shall be forwarded to the Assistant Secretary of Defense (Public Affairs) within thirty (30) days; such implementing issuances to contain
